

GOOD WORKS COMMITTEE

How often has each of us traveled overnight, stayed in a hotel, and brought home those little bottles of shampoo or small bars of soap from the hotel?

At our upcoming meetings, the Good Works Committee of the CPCU Society (Greater Milwaukee Chapter) is asking our members to bring any unopened and unused hotel toiletries to our meetings. The Committee will supply a basket to collect them at the registration desk.

We will begin this drive by collecting these items at our March Ethics meeting on Tuesday, March 9, 2004.

The items collected will be donated to local shelters in desperate need of these items.

Thanks in advance for your generosity!
